| | | | | | | | | | | | | | | | | | | | | | | | | |

Notes:

^{*1:} Do not write here.

^{*2:} When the article in the cargo includes food additives that are generally supplied in food or drink and regulated by the relevant statutes, describe the names of the substances used. When the article includes manufacturing agents in the additives, excluding flavoring agents or food additives that are generally supplied in food or drink, write the names of the agents. The seal of importer can be substituted by a signature of importer.
