Consideration for Stable System Operation

<Financial consideration>

The Financial Stability Funds are established in prefectures (financed by the government, prefecture, and municipalities evenly by 1/3) and will be granted or loaned to supplement financial shortage due to unexpected increase in the amount of benefits and decrease in premium collection.

<Operational consideration>

1. Certification work of long-term care and support needs may be entrusted to prefectures.
2. Prefectures are supporting municipalities in joint establishment of the Certification Committee for Long-term Care Need.
